Website abbreviations

Our website address for publicity purposes is www.quakersaustralia.org.au. This provides information for inquirers and others who know little about Quakers. It has a link to our main website for those who wish to know more.

The main website is www.quakersaustralia.info which has extensive information about Quakers in Australia. It can be used to access the pages for each Regional and Local Meeting and each AYM Committee.

However, there are also versions of the main address which will go direct to a Regional Meeting or AYM Committee. They take the form of:

www.quakersaustralia.info/*abbreviation* (they are NOT case sensitive)

where the *abbreviation* is shown below.

This means that if you type www.quakersaustralia/CRM in your web browser address bar you will go direct to the main Canberra Regional Meeting page; if you type www.quakersaustralia/CBhL you will go direct to the main Backhouse Lecture Committee page.
