PDF files of the printer version are placed on the AYM website.
Issues (if any) <ul style="list-style-type: none">• Our committee covers NSWRM, VRM and CRQ, but some input from other RMs in sourcing material would be helpful.• David Swain has indicated that, after over 10 years on the committee he would like to eventually step down. He is the only one member with the experience to mount the publication online. Other members have indicated they are fully committed in other areas and would prefer not to move into this role. David has asked Nominations Committee to search for a replacement, and has indicated that he is prepared to serve another year to familiarise the new member with the routines.• Other members are prepared to remain on the committee, although Rae Litting points out she has also been on the committee for over 10 years and is prepared to step down if another Friend wishes to take her place.
