This was done.
- b) **Item 5:** Would RM's appreciate the WG holding a zoom consultation with interested Friends as we prepare a plan for YM23?

The Working Group is encouraged by the support it has received, and we will make arrangements to consult with Friends during our work to prepare a plan for YM23.

4) Handbook Revision Committee

- a) **Section 4.5 Care of travellers:** Expanded section re Sojourners
- b) **Section 5.2.7 AYM Archivist:** Expanded section to cover the current legislation re Archival material.

5) Publications Committee

- a) **Item 1: Would Young Friends be willing to look at the Young People's pamphlet.**
No Young Friends were present at this session.
- b) **Item 2: Would Friends forward suggestions for any pamphlets that need updating and/or subjects that could be considered for new pamphlets.**
Newer Rainbow Friends might want to create a new pamphlet on gender and identity. Vidya suggested taking this issue to the monthly Rainbow Meeting. That was agreed to be a good idea and the Rainbow Friends will contact Jenny Stock.
A need to update the Meeting for Worship for Business pamphlet was noted, given the learnings from Covid re hybrid and Zoom Meetings.
- c) **Item 3: We invite feedback on the use of Creative Commons for AYM publications.**
Feedback was provided and the Publications Committee will take this on board.
- d) **Item 4: Are Friends happy for Silver Wattle Quaker Centre to illustrate Australian Advices and Queries and to sell these to raise funds for SWQC?**
The query about Silver Wattle illustrating the Advices and Queries is in *Documents in Advance* for Regional Meetings to discern. Responses from all RMs have been supportive, so this does not need to come to a Formal Session for decision.
Silver Wattle is flexible in regard to the copyright elements of their proposal. The original concept was that Silver Wattle Quaker Centre (SWQC) would sell copies of the illustrated Advices and Queries to fund the SWQC, but if that is not possible, that is okay. SWQC was advised to enquire of Interactive Publications (IP) for selling AYM publications. SWQC will wait until after Yearly Meeting so as not to burden Jacque.

6) AYM & QSA Relationship Working Group

None.
