

Talbot, Jean – 7 August 2022

Notice.

Our Friend Jean Talbot passed away on Sunday (7 August). She was a founding member of the Hunter Valley meeting and had been visited by Friends regularly in her aged care accommodation. She was much loved by many. We are assisting the family with funeral arrangements. Jean will have many people who will want to come, and the family has booked the Christ Church Cathedral for a service to accommodate the crowd. Jean frequently sang in that cathedral with Newcastle University Choir so it seems a fitting location.
