

JYFs Function

AYM employs a part-time worker who supports the Children's and JYF programs for AYM. This person is currently Wilma Davidson of Canberra Regional Meeting. Wilma provides continuity of the program for JYFs, and wants to be involved with the host planning committee to plan the JYF program.

The host committee is aware of the local opportunities and constraints at their YM event. They need to find people who will be the leaders of the JYF program. The JYF program has traditionally included a camp during YM, for two or three days.

Workload of the function

Time Interval	Tasks	Workload
12 months prior to YM start	<p>Create planning team, including two or three JYFs. Appoint the convener who will also be a member of the YM planning Committee.</p> <p>Begin Recruiting volunteers to work with the JYFs, attend camp and lead sessions.
