

Families @ YM gathering (Monday 8.7.19)

Our questions (Tuesday 9.7.19)

How do we respond to the expectations of Friends in relation to ~~the~~ pragmatic considerations? (eg whether RMs elsewhere take responsibility for areas of YM organisation)

How can the work of putting on a YM gathering be better shared?

Are we offering the opportunity in local / R meetings for sharing as we do in YM?

Would it be appropriate to assign(?) certain aspects of YM organisation to particular RMs?

Does the ~~invitation~~ ^{choice of} Backhouse lecturer influence how YM is organised? (eg. lectures relevant to children's participation in YM)

What does the divine expression
of YM need?

What is going to keep the
Religious society of Friends
alive in the Spirit?

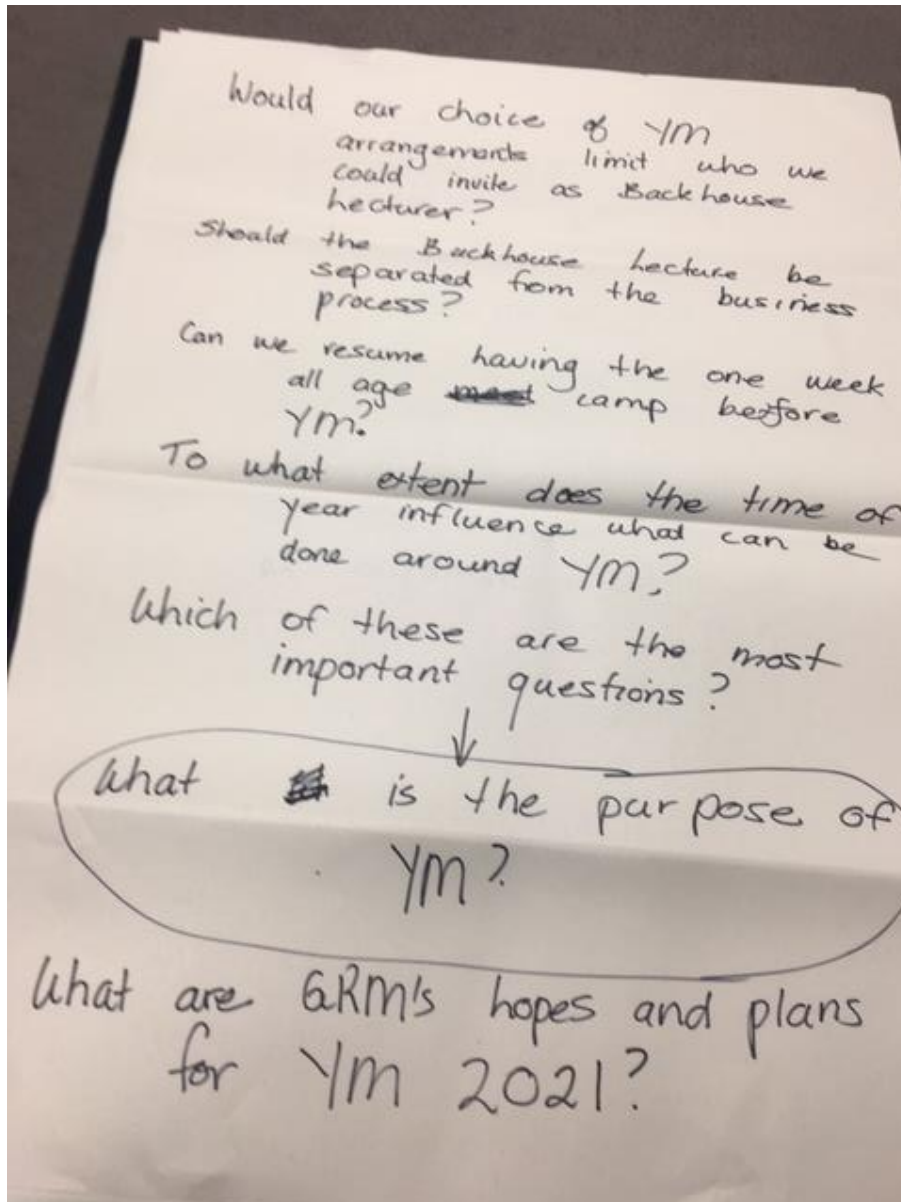

What was the original purpose
of YM gathering?

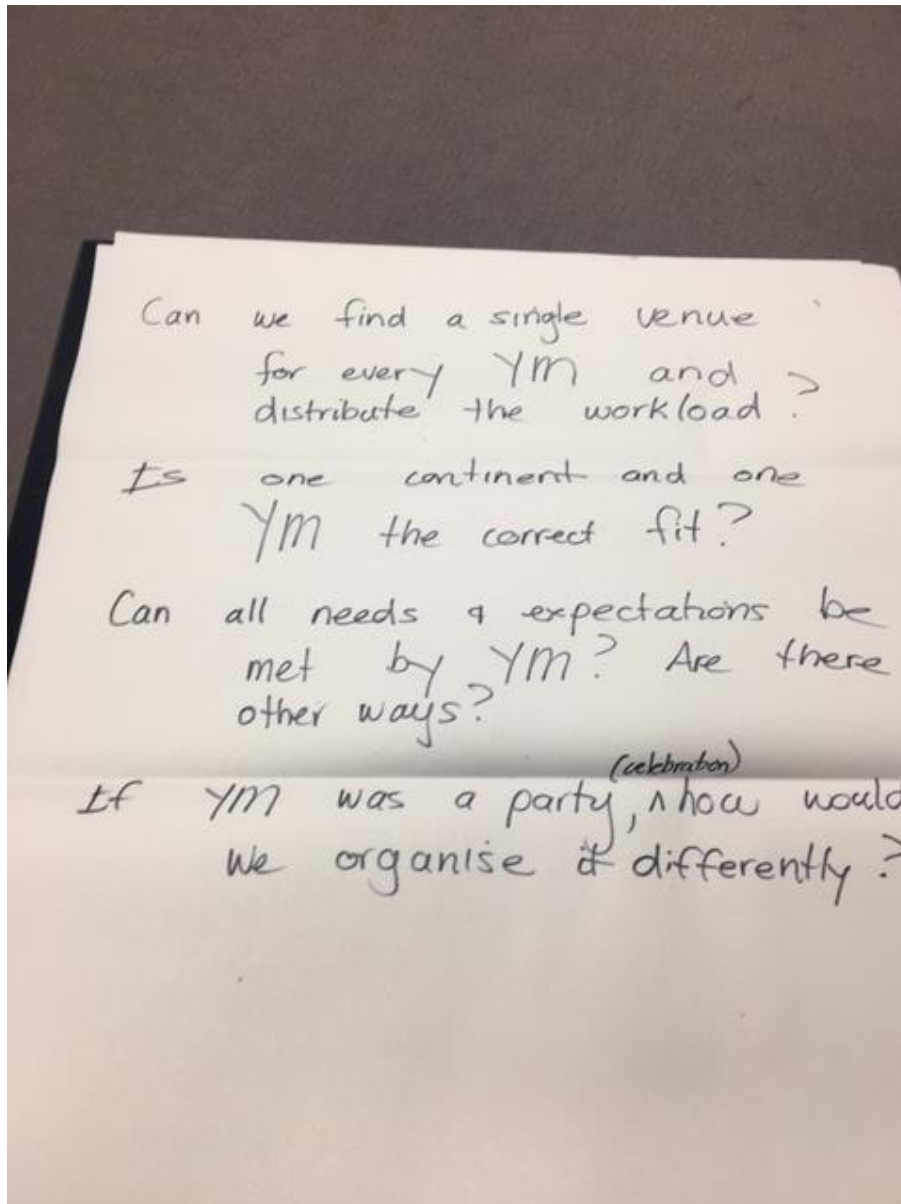

What are the social justice
implications of changing things?

[eg elderly people + technology
costs of travel
Committee eg First Nations
Committee not meeting]

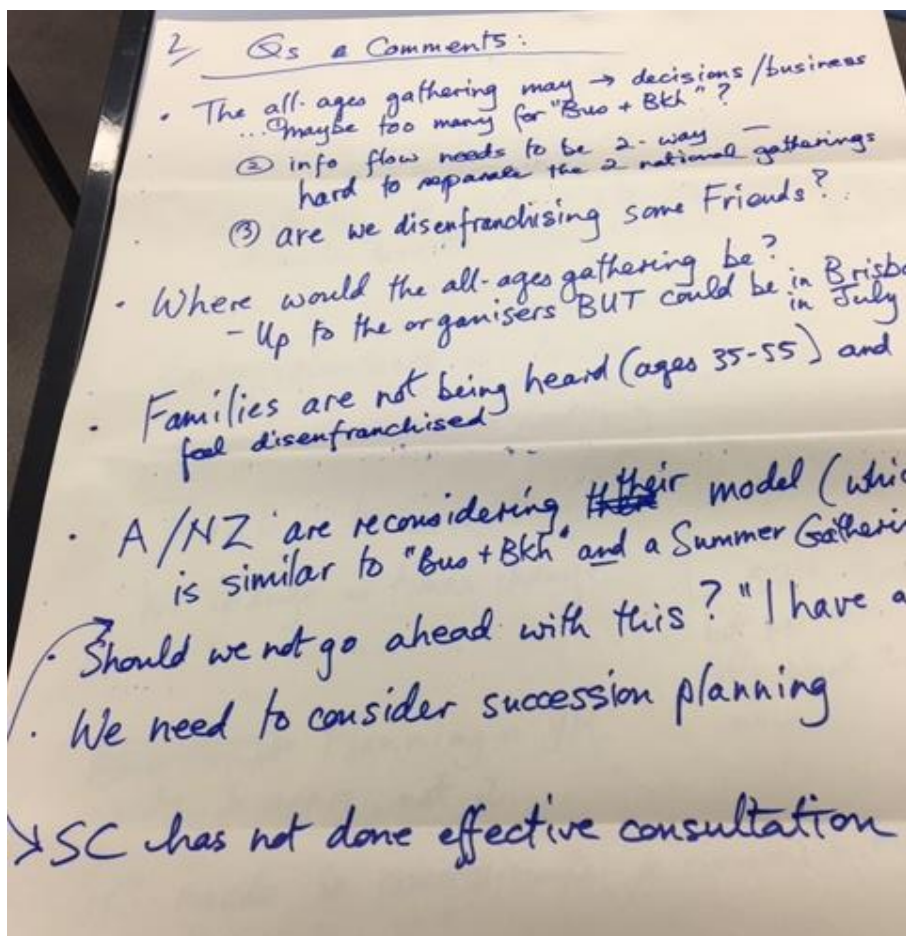

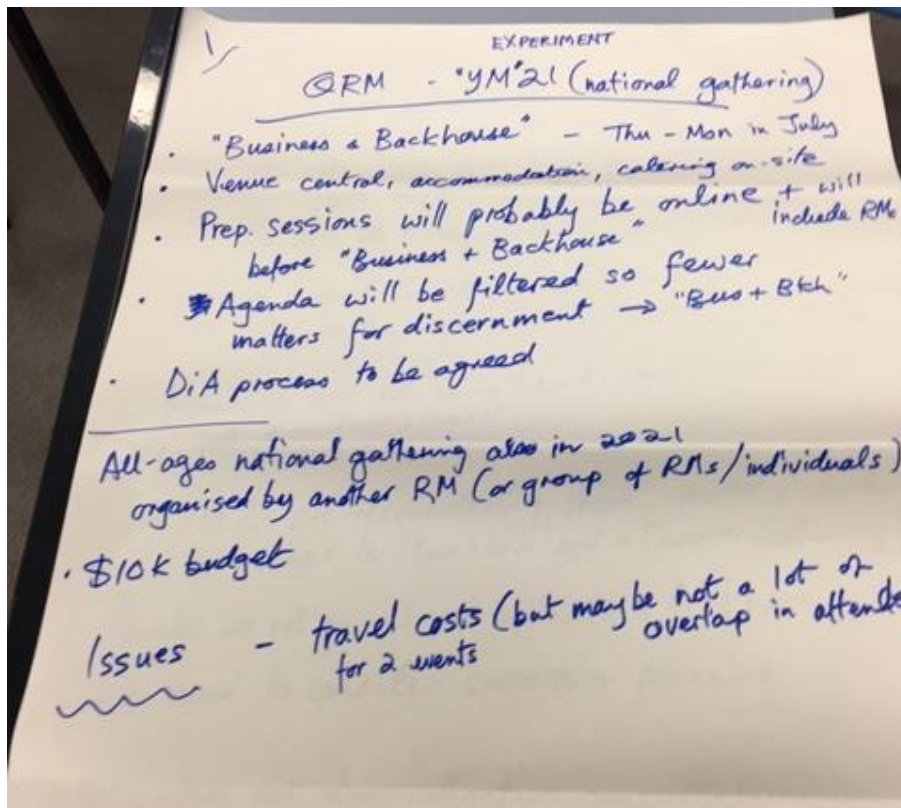

How can we maximise participation
AND inspiration?

Should we reconsider the
decision about how YM will
be held in Brisbane in 2021.

Thursday 11.7.19

- The choice of venue does not have to be the problem of a RM
- The intergenerational ^{often} aspect is VALUED -
bring = joy
- SC decision to accept QRM proposal was not made clear to Austr. Friends
 - F. who attend RM can give input via their RM to D.A
- Fewer volunteers ... including other RMs
 - the host RM is stuck with the workBHT this model is evolving
- Thanks to QRM for their courage
- We change as times change
 - └ QRM knows not perfect, but it's what they can now
- ~~Plan~~ Planning a YM needs 3 years, not 2
- SC needs to coordinate a community w can "Just Do It"
- YM22 - WARM or VRM

4/

- We hope JYFs can be on SC in the future when these decisions are made
- "A faith community has prioritized business over community ... this is not in right ordering"
- Central venue then RMs organize
- Some F. believe that this YM needs to decide if "Bus + Bkh" can go ahead
- Can YM Plann. Support Cttee support "Bus + B" + all ages 2021 in Qld?

Tracey B. volunteers to run JYF program

5/ Our vision:
an all-ages JYF program
at the same time as "Bus + Bkh"
