

Australian Quaker Tapestry

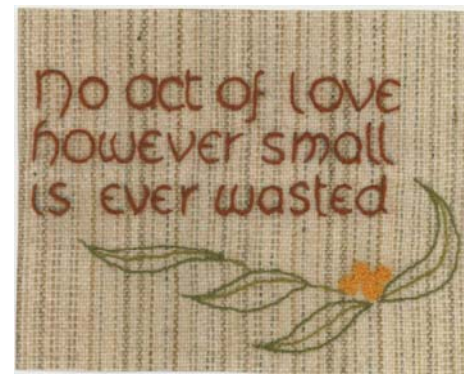

Newsletter - February 2008

Share the fun of the tapestry – bring an interested person to your local Meeting for Stitching,

Finding Fundraising Ideas

The community development aspect of the Tapestry project involves each Meeting for Stitching raising funds to produce their panels. This was also the pattern of UK Tapestry Project. Many meetings are looking to start fundraising including community stalls, home cooked meals, garage sales etc. While it may seem ideal to have a great Quaker business sponsor (like the former Quaker family Cadbury business) the best way to finance the project and spread the word about it involves community fundraising events. Share your ideas of these by contacting the central committee.

Practicing the Stitches

The first kit produced for the Australian Quaker Tapestry Project, Australian Wattle, is designed to help you learn Quaker Stitch. Cost \$20 plus postage.
