

MINUTES JUSTICE & PEACE
November 18 2020

This meeting was mostly given over to a **presentation of the Friends Peace Teams - Asia Pacific**, presented online by Jane Drexler, Clerk. It was an illuminating and inspiring description of the vital and effective grassroots work the peace teams carry out in a number of locations.

Google Friends Peace Teams, and you will find several sites, covering the work from different angles -

friendspeaceteams.org

fpt-awp.org

These contain links to a short film about the Indonesian initiative, and other material. Highly recommended.

Other matters:

- Foodbank update: Katherine researched the most suitable group to support, which is indeed Foodbank, having outreach in both South and North/North Western Tasmanian centres.
RM accepted the recommendation and supported providing \$5000. Details were to be included in e-notices to enable individual Friends to donate as well.
- The proposal to Quaker Peace and Justice Fund for support for the Circles project centred on Aunty Dawn Blazeley has not proceeded, at her request.
